## Specialist Treatment and Support Services

For people impacted by alcohol  
and other drug issues

# Pathways Eurobodalla Programs

Pathways Eurobodalla's services are based on a harm minimisation approach. Services are provided for adults and young people in a non-judgemental and respectful manner that recognises:

- different stages of recovery;
- individual goals for people regarding substance use;
- impacts of substance use on friends and family.

Our therapeutic approach is person centred, holistic and strengths based.

## Counselling and Case Management

Specialist counselling and case management is available for people seeking to cease or reduce their substance use, explore their treatment options or make other changes in their lives. Our evidence based approaches include motivational interviewing, cognitive based therapies and other therapeutic approaches.

In collaboration with other services, we can provide advocacy and support to address housing, relationship, education, employment, child protection, legal and financial issues as well as other health concerns.

Support is also available for people who are awaiting or have recently completed withdrawal or rehabilitation programs at Arcadia House or another service, and those who are in recovery and looking for strategies to prevent relapsing into past substance use habits.

## Family Program

Support and counselling is available for family members and friends impacted by someone else's substance use. This includes strategies to look after your own well-being and ways you can support your family member or friend.

## Referral and Assessment

People can enter the program in several ways.

They can:

- Talk to us directly
- Talk to us with, or on behalf of, a family member or friend
- Be referred by any other service
- Be referred through the legal system

We will undertake a comprehensive assessment and work with you to identify your goals and develop an individual treatment and support plan. This may include referral to withdrawal and/or residential rehabilitation services, or other services, with your consent.

## Appointments

Individual appointments are available Monday to Friday 9am to 5pm at our Moruya office or another mutually agreed location. We provide regular visiting services to Batemans Bay and Narooma, and other communities on an as needed basis.

## Therapeutic and Support Groups

A range of groups will be facilitated to meet the needs of clients, including peer and family/friends support groups. Please contact the Moruya office for the group timetable.

## Urgent Support

Pathways Eurobodalla can also support people during times of crisis. Please reach out to our office and we'll endeavour to make telephone contact the same day or within an optimal time frame.
